New Scholarships Offer Greater Opportunities for Students

Calgary, AB (October 2, 2007) – New annual scholarships are available to students at St. Mary's University College thanks to the generosity of The Calgary Juventus Sports Club. The club recently contributed to an endowed scholarship at St. Mary's that will support student-athletes.

Founded in 1957 by Calgary's Italian community, The Calgary Juventus Sports Club is the oldest organized sports club in the city. In 2000, the club started a foundation to recognize soccer players in Calgary who were exceptional both at the sport as well as academically by presenting annual scholarships.

"The generosity and support shown by The Calgary Juventus Sports Club is greatly appreciated," says Jason Scott, Director of Athletics. "Every new scholarship helps to offset the financial burden shouldered by students pursuing a post-secondary education."

If you are interested in contributing to a scholarship or bursary, please contact the Development Office at (403) 531-9130.
